# MILESTONE

Everything we accomplish through Cisco Networking Academy reflects the efforts and contributions of our students, instructors and partner academies. To demonstrate how much we value their support and participation in the program, we established a program to recognize important milestones and achievements of community members.

To maintain the record of achieved milestones, Academy Instructor has to make a batch of any CAREER/CCT program in the batch name of “SKL2025\_AcademyName”.

Category	Particulars	Career Impact (or)	CCT Impact
Gold	Student Participants	1500 and above	800 and above
Silver	Student Participants	1000-1200	500-799
Bronze	Student Participants	700-999	200-499
