***Series of Inspiring sessions***

# **The Role of Technology in Building a Self-Reliant India**

**Date:**

**18TH NOVEMBER, 2025**

**Time:**

**7:30 PM IST**

**Speaker:**

**DR. GAURAV MITTAL**

**SCIENTIST AND SYSTEM MANAGER, DRDO**

**Abstract:**

Join Dr. Gaurav Mittal, Scientist and System Manager at DRDO, as he shares insights on how cutting-edge research in cryptography, inverse problems, and advanced systems is driving India's journey toward technological independence. Discover how innovation, indigenous development, and scientific excellence contribute to realizing the vision of Atmanirbhar Bharat.

**Dr. Jitendra Prajapati**  
**Moderator**

**The event is beneficial for faculty, researchers, industry persons, and UG, PG & PhD students. No registration fees.  
E-certificates will be given to the participants.**
